

## 2010 Orientation Schedule For Centers and Out of School Only Providers

In order to obtain a child care license, you must attend an orientation. You must pre-register for the orientation training at least three (3) days prior to the class. The training is approximately four (4) hours and you must be on time and stay for the entire class in order to get the required certificate. It would be in your best interest to read the rules before attending this training.

**No children will be allowed at the orientation.** You are allowed to bring drinks and snacks to consume during the training.
